

Detectamet Detectable Safety Knives with Enclosed Blade (Pack of 5)

SK106 (615-K106-T030-P0)

**Metal Detectable
Disposable**

Suitable for laser-engraved sequential numbering

These lightweight disposable, detectable safety knives have two enclosed blades to cut through packaging.

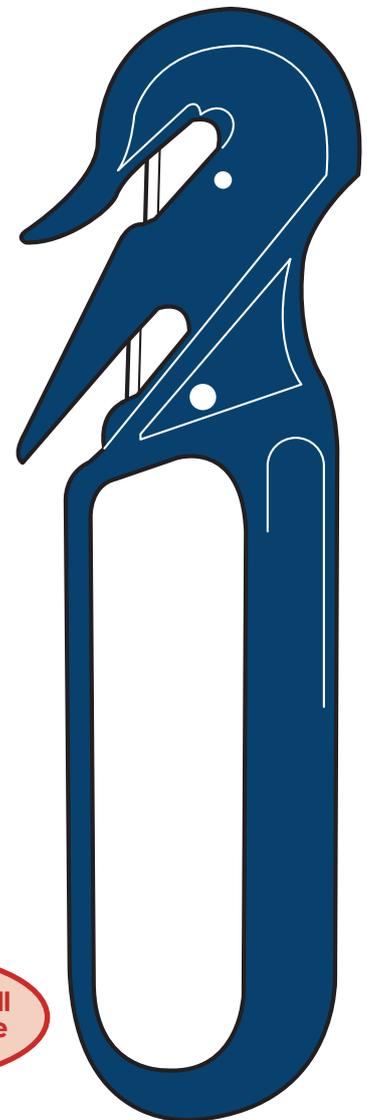

- Use like a standard knife with blade perpendicular to material - pierce and pull
- Completely sealed to keep out bacteria
- Fixed blade
